

TENTH KOROR STATE LEGISLATURE

5th Day of 1st Regular Session, Feb. 20, 2014 L.B. No. 10-7

A BILL FOR AN ACT

To prohibit commercial establishments from playing music in open-air spaces after 10:00 p.m.; to require commercial establishments to enclose any spaces in which music is played after 10:00 p.m.; and for related purposes.

THE PEOPLE OF KOROR REPRESENTED IN THE LEGISLATURE OF THE STATE OF KOROR DO ENACT AS FOLLOWS:

Section 1. Findings.

1 The Tenth Koror State Legislature (the “Legislature”) hereby finds that some nightclubs
2 and other commercial establishments in Koror State offer open-air music as entertainment to their
3 customers. In some cases, these establishments play live or recorded music in open-air spaces late
4 into the evening and early morning hours. The noise produced by these establishments travels into
5 residential areas of Koror, impacting the health and well-being of residents. Indeed, the Legislature
6 has received repeated complaints from Koror residents who are disturbed by the noise coming from
7 commercial establishments that play music in open-air spaces late at night.
8

9 While the Legislature wishes to support and encourage business and commerce in Koror,
10 it cannot condone business practices which endanger the health and well-being of Koror residents.
11 The Legislature therefore finds that it is in the interests of the people of Koror to prohibit
12 commercial establishments from playing or offering open-air music after 10:00 p.m. Those
13 establishments which play music after 10:00 p.m. will be required to fully enclose all spaces in
14 which the music is played and to obtain a building permit from the Koror Planning Commission
15 prior to building any enclosing walls or structures.

Section 2. Restrictions on music entertainment at commercial establishments.

16 A. It shall be unlawful for any commercial establishment in the State of Koror to play live
